Table of Contents

The Application Of Methodology Of Scaffolding Based On Zone Of Proximal Development In Language Teaching **1**

Meng Si

Innovative Design Of Model Of Teaching In Colleges And Universities Based On Knowledge Management **7**

Xinxin Wang

Analysis On Strategies To Effectively Deal With Music Rhythm In Teaching Of Sports Dance **12**

Yuwen Wan

The Reflection On Existing Cultivation Mode Based On The Current Status Of Career Development Of Normal Students In Fine Arts Colleges --Taking Guangzhou Academy Of Fine Arts, Fine Art Education Department As An Example **16**

Yang Zhao

Discussion On The Key Points Of Application And Design In Language Education For Preschool Children Based On The Concept Of Gamification **21**

Xiaoyan Wang

Research On The Effect Of Flipped Teaching Mode Of English In Vocational College With The Introduction Of POA On Improving Oral English **25**

Weili Wang

Role Positioning And Function Play Of College Counselors In THE COVID-19 Epidemic **29**

Yimeng Chen

Research Based On The Application Of Flip Classroom Model In Higher Vocational Sports Class **35**

Xudong Ma

An Analysis Of College Students' Burnout Behavior In Classroom Learning From The Perspective Of Opportunity Cost **39**

Yanwei Ding, Fan Bai and Lin Na

Research On Online Teaching Mode Based On Rain Class **45**

Jian Huang

The New Trend Of EFL E-Learning In The Post-Pandemic Period From The Perspective Of Ubiquitous Learning **53**

Shiyong Jiang

Research And Practice: The Practical Teaching Mode Of Modern Mentoring System Electrical Engineering And Automation In Kashi University Is Taken As An Example **61**

Dayong Huo, Mingxia Ding

Research And Practice: The Education Mode Of Stage Career Directio Guidance Electrical Engineering And Automation In Kashi University Is Taken As An Example **67**

Dayong Huo, Mingxia Ding

The Construction Of Practical Teaching Base Of Electronic Information Engineering Specialty With The Goal Of Improving Practical Skills **72**

Wei Jiang

Research On The Training System Of College Student Innovation Methods With The Goal Of Improving Innovation Ability **77**

Fang Yuan

Research On Practical Teaching Reform Based On NSSE Evaluation Mechanism **82**

Xue-Fei Wang, Bing Yu

The Exploration Of The Promotion Of Traditional Chinese Culture In The Teaching Of Chinese Language And Literature In Colleges And Universities **85**

Longhui Shen

Research On The Talents Training Mode Of Electronic Shorthand For Law Majors In Applied Undergraduate Universities **90**

Sina Chen

Analysis On Risks And Countermeasures Of Government Purchasing Of Private Preschool Education Services In Southwestern China **99**

Lu Yin, Shuiping Ye

Research On The Reform And Practice Of Classroom Teaching Mode Of Quantum Mechanics **103**

Lixin Xia

Application of Computer Virtual Technology In Higher Vocational Physical Education **110**

Baojian Jia

Advantages And Disadvantages Of Artificial Intelligence In Business English Teaching **115**

Meng Guo

Implementation Of Core Literacy Teaching In English Teaching In Secondary Vocational Schools **121**

Xiaoyan Han

The Application of the Brain-Targeted Teaching Model In College English Teaching **125**

Yanlan Cai

Psychological Training And Training In Piano Teaching In University **130**

Wei Zhao

Research On The Teaching Reform Of Vocal Music Theory In Colleges And Universities Based On Multiple Intelligence Method **134**

Xiaobei Zhang

Development Analysis Of Piano Performance Training In Piano Teaching Design In Colleges And Universities **138**

Lin Li

Analysis On Cultivating The Musical Expressiveness Of Middle School Students In Piano Performance Teaching In Colleges And Universities **142**

Suxia Wu

The Construction And Realization Of The Online+ Offline Teaching Mode Based On Micro-Class In Physical Education **146**

Jun Zhao

Research On The Influence Of Regional Cultural Factors In The Reform Of Fine Arts Education In Colleges And Universities **151**

Hui He, Jianjun Liu

Functional Value Of College Students' Labor Education In The New Era **156**

Zhongmin Guan

An Applied Research On The Teaching Reform Of College Basketball Club Based On The Grading Standards Of Youth Sports **161**

Ziye Zhang

On The Relationship Between Critical Thinking And Reading Comprehension Ability Of English Learners **165**

Shifang Jiang and Di Jin

An Analysis Of The Influence Of Learning Motivation On English Learners' Learning Attitude **169**

Shifang Jiang and Di Jin

The Effect Of Metacognitive Activities On Reading Comprehension Of English Language Learners **172**

Shifang Jiang and Di Jin

The Construction And Practice Of The "Curriculum Thinking" Education Teaching System Under The Goal Of "Big Thinking" In Universities——Taking Xijing College As An Example **175**

Yanzhu Yang and Rong Wang

Project Teaching Formulate And Practice Of Plastic Molding And Mold Design Course Based On Mosocloud Class **181**

Yubao Cao, Hong Wang

Practice Thinking On The Application Of Modern Information Technology In The University Curriculum Construction **186**

Hejiao Yang

Research On Traditional Culture Education Of Chinese College Students In The Information Age **191**

Chunhua Song

Study on Ideological and Political Education in College English Teaching **195**

Haiyan Zhao

Research On Online Teaching Of Tourism Management Specialty Under Digital Background----Take The Rain Classroom As An Example **199**

Xing Li

Vocational English Teaching Reform From The Perspective Of Ideological And Political Education **204**

Changjuan Xu
